Subject No. 85.

Arasalu Railway Project.

Messrs. C. Subba Rao, and A. Anantaiya, Shimoga Taluk; P. Venkappaiya, Shimoga District Board; and A. Narasimha Iyengar, Sagar Taluk.

Summary of Representation.

Opening up of the *malnad* at a very early date is absolutely necessary and the Arasalu Railway and the Bhatkal project should be pushed through both in the interests of the *malnad* and for the conservation of the work already done.

Note:—Not discussed for want of time.

LOCAL SELF-GOVERNMENT.

(Nos. 86 to 103.)

Subject No. 86.

Shanbhogs of municipal towns to become municipal members.

Messrs. Nadig Bhaskar Rao, Nadig Lakshman Rao, and Nadig Sitaramappa, Sorab Taluk.

Summary of Representation.

Shanbhogs of municipal towns may be allowed to become municipal members. They are now precluded under the Election Rules as they are employed in collecting taxes.

Note:—Not discussed owing to the absence of the proposer.

Subject No. 87.

Interest derived from arrears of Local Cess.

Mr. H. Krishnamurtiachar, Mulbagal Taluk.

Summary of Representation.

It is understood that the interest realised on the Local Cess is not being credited, as a separate item in the accounts, at present. If the Local Boards are deprived of this amount, they will suffer a loss. The interest on the Local Cess may therefore be directed to be brought under a distinct head, and the amount realised paid to the Local Boards.

Note:—Not discussed owing to the absence of the proposer.

Subject No. 88.

Abolition of *mohatarfa* on landless classes.

Mr. Lakshminarasappa, Maddagiri Taluk.

Summary of Representation.

Mohatarfa tax is levied on landless classes. They, on whom the cess is levied, are in many cases too poor to pay the tax and the revenue that would accrue to the State from this source is very small. It may therefore be done away with.

Note:—Not discussed owing to the absence of the proposer.

Subject No. 89.

A stallion to be stationed at each District Headquarter.

Mr. Phaniyachar, Hosdurga Taluk.

Summary of Representation.

As people find it very difficult to take mares to the Kunigal Stud Farm from distant places, a stallion may be stationed at each district headquarter for breeding purposes.

Note:—Not discussed owing to the absence of the proposer.

Subject No. 90.

Establishment of *Vaidyasalas* at *hobli* headquarters.

Messrs. Veeregowda, Doddballapur Taluk, and Raja Narasaiya Setti, Tyamagondlu Municipality.

Summary of Representation.

Native *Vaidyasalas* may be established at each *hobli* headquarter.

Note:—Not discussed owing to the absence of the proposer.
